Reminders to Our Audience

Please turn off all cell phones and other electronic devices.
They interrupt the wireless microphones.

Photography and any electronic recordings are strictly forbidden during the performance and are punishable under the Federal Copyright Laws. You are here to enjoy a live performance by talented students—so enjoy it live!

Remain quietly seated until intermission. Opening the auditorium doors creates a rude distraction for both audience members and actors.

Smoking is not permitted on school grounds.

Do not talk during the performance. Again, you are here to enjoy a wonderful performance by talented students—don't be inconsiderate of the actors on stage by talking.
