for Music Education

Music In Our Schools Month® or “MIOSM®” is NAFME’s annual celebration during March which engages music educators, students, and communities from around the country in promoting the benefits of high quality music education programs in schools.

Music In Our Schools Month® began as a single statewide Advocacy Day and celebration in New York in 1973 and grew over the decades to become a month-long celebration of school music in 1985.

Thank you for supporting your local school music program!

Reminders to Our Audience

Please turn off all cell phones and other electronic devices.
They interrupt the wireless microphones.

Photography and any electronic recordings are strictly forbidden during the performance and are punishable under the Federal Copyright Laws. You are here to enjoy a live performance by talented students—so enjoy it live!

Remain quietly seated until intermission. Opening the auditorium doors creates a rude distraction for both audience members and actors.

Smoking is not permitted on school grounds.

Do not talk during the performance. Again, you are here to enjoy a wonderful performance by talented students—don't be inconsiderate of the performers on stage by talking.
