Dear Families of Class of 2020 Graduate,

Enclosed you will find paperwork to assist you with the graduation plan.

Information Sheet #1: This sheet provides information for what you are to do once you arrive on campus all the way through the ceremony and then your exit off campus.

Police Officers and school personnel will be available to direct you the whole way through from start to finish.

Line Up Chart: The groups are assigned. The groups listed would be the same line-up as the row you would have been assigned if graduation took place in the gym.

Group – list of graduates involved in each mini ceremony.

Spot 1 / Spot 2 – Two parking areas

- **First parking area:** K-8 Parking Lot – this is the waiting area. Upon arrival to campus vehicles are to report to the K-8 parking lot to park in **Spot 1 and Spot 2** designated in the K-8 Parking Lot / Waiting Area. Spot 1 and 2 are the same assigned parking spots on your card that you display on your dashboard.
- **Second parking area:** Lower Level Parking Lot to view ceremony. Again, you will be directed to park in the assigned parking space. Spot 1 and 2 are the same assigned parking spots on your card that you display on your dashboard.

Arrival Time – Report to K-8 Parking Lot. Police Officers will direct you to your assigned parking space. K-8 Parking Lot is the waiting area.

Ceremony – Ceremony times are approximate. Each mini ceremony is estimated to run approximately 30-40 minutes.

Audience: While in your car, please turn off ignition during the ceremony. Please turn off radio. Please do not bring pets with you in the car. Please remain in your car throughout the ceremony.

Once your ceremony ends, cars will be directed to leave the Lower Parking Lot to make room for the next group to come in.

Please exit campus upon conclusion of your group's graduation ceremony.

I thank you in advance for your patience.

Congratulations Class of 2020!

Sincerely,

Mrs. Folmar
