RAIN DAY PROCEDURES FOR GRADUATION: Class of 2020

Dear Families of Class of 2020 Graduates,

With the threat of rain and possible thunderstorms predicted for Friday, May 29, 2020 I would like to notify families of graduation plans in case we would need to cancel.

Please know, the celebration of this event is of the utmost importance; however, decisions must be made to ensure the safety of our students, families and school personnel in attendance.

Due to the amount of technical / audio / electrical equipment necessary to run graduation via live stream graduation must be an “all or none” decision, meaning we cannot start the ceremonies, cancel midway due to a downpour, and then reschedule the remaining ceremonies for the next day.

Rain Days – Rescheduled Dates

If graduation must be cancelled on Friday, May 29th due to rain, we will reschedule:

Saturday, May 30, 2020 – Graduation will take place using the same information and schedule.

If graduation is cancelled on Saturday, then graduation will take place on Sunday, May 31, 2020 using the same schedule.

Communication and Notification

The decision to cancel graduation will be announced on Thursday, May 28, 2020 on or before 8 PM.

Graduates will be called on Friday morning via phone with the announcement. Please make sure voicemail is cleared and / or set up in case we need to leave a message.

The cancellation of graduation will also be announced via Senior Remind.

Information sheets will be available on the HS webpage on www.calsd.org under Latest News.
