

Students!

Your personal items from lockers have been bagged and are ready for pick up. See the schedule below as to when you are permitted to be on campus.

If you have textbooks to return, please bring them with you when you pick up your locker items.

Also, there are belongings from both the boys and girls locker rooms. Look for your items to claim.

A member with school authority will be on the front porch and in the parking lot to assist with social distancing regulations.

You must remain in your car until a member with school authority gives you the signal to come up to the porch to claim your belongings.
